## Pupil Personal Accident Insurance 2019/2020 Option B – Specified Pupils Only

AIG Europe S.A. is pleased to relaunch Pupil Protector, a new and innovative Personal Accident Plan designed to provide financial support and assistance in the event of an accident to a child.

Every year many children require hospital treatment following an accident and the consequences can be very serious, often leading to permanent disability. Our Pupil Protector Personal Accident Plan is designed to provide financial support for parents to meet some of the medical, dental and other bills that arise when serious accidents happen. Our plan provides a wide range of insurance benefits, some of which are not available on similar schemes with competitors. We also include a number of non insurance features such as access to our unique Medical Second Opinion Service and our highly qualified Medical Management Services staff for post accident advice and guidance on the best recovery path for pupils.

If you wish to enrol your child in the Group policy organised by the school all you need to do is complete the form below and return it to the school by **31st October 2019** with the appropriate premium for the cover option you have chosen.
